ORDER OF PROCEDURE

Mr. SCHUMER. Mr. President, I ask unanimous consent that notwithstanding rule XXII, upon the conclusion of morning business tomorrow, February 10, the Senate proceed to consideration of Calendar No. 264, H.R. 4445; that the time until 11 a.m. be equally divided between the two leaders or their designees; that at 11 a.m. the bill be read a third time and the Senate vote on passage of the bill without further intervening action or debate; further, that upon on disposition of H.R. 4445, the Senate proceed to executive session and resume consideration of the Vekich nomination and, at 11:45, the Senate vote on the motion to invoke cloture on the nomination, and, if cloture is invoked, the Senate vote on confirmation of the Vekich nomination at 1:45 p.m.; finally, if any nominations are confirmed during Thursday's session, the motions to reconsider be considered made and laid upon the table and the President be immediately notified of the Senate's action.

The PRESIDING OFFICER. Without objection, it is so ordered.

LEGISLATIVE SESSION

MORNING BUSINESS

Mr. SCHUMER. Mr. President, I ask unanimous consent that the Senate proceed to legislative session and be in a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

VOTE EXPLANATION

Mr. HAWLEY. Mr. President, had I been present, I would have voted no on the confirmation of Scott A. Nathan, of Massachusetts, to be Chief Executive Officer of the U.S. International Development Finance Corporation.

REMEMBERING DR. DON GURNETT

Mr. GRASSLEY. Mr. President, I want to take a moment to recognize the life and memory of Dr. Donald Gurnett. Dr. Gurnett recently passed away following a lifetime of scientific curiosity and achievements. Dr. Gurnett studied, taught, and researched at the University of Iowa for more than 60 years.

His career was rooted in his childhood interest in flight, where he built rockets and model planes, which led to studying electrical engineering at the University of Iowa. During his studies, he had the opportunity to work and learn with Dr. James Van Allen, who helped launch the first U.S. satellite into space and established the field of magnetospheric space research.
